Joe Hamilton (AU)

New Bretagne (D)

Jaakko Pallasvuo (D/FI)

Silvio Lorusso (IT)

Florian Kuhlmann (D)

WTi 2.0

WTi 2.0

WTi 2.0 wants to explore the changes in everyday life, culture, and society in relation to new technology. Therefore we created a project that is based on Kenneth Goldsmith's course:

Wasting time on the Internet. Through his method the artists get to a subconscious state of mind, that enables them to split their attention on the web and to achieve a consciousness that reflects the conditions they encounter in today's Internet.

Nachtfoyer

30 June 2015

7 pm – 10 pm

2€

Aftershow Party

10 pm

Salon des Amateurs

Kunsthalle Düsseldorf
Grabbeplatz 4
D – 40213 Düsseldorf
